THE MASTER OF DENTAL MEDICINE provides advanced training in the following areas: preventative dentistry, medicine and oral pathology, oral surgery, dento-maxillo-facial radiology, cariology, endodontics, paediatric dentistry, orthodontics, oral pathophysiology, fixed prosthesis, gnathology, myoarthropathy, dental biomaterials, geriatric dentistry and dentures.

Graduates may qualify for the Swiss federal dentistry diploma. Under the new Healthcare Professions Act (LpMed), exams are faculty-based, except those at the end of the third year of the Master’s, which are federal and standardized throughout Swiss faculties of medicine (Swiss federal dentistry exam).

Eliminatory general test for non-Francophones with the exception of the following cases:
www.unige.ch/frenchexam

ADMISSION CRITERIA
Swiss Students
www.unige.ch/admission-medecine/candidatsuisse

International Students
www.unige.ch/admission-medecine/candidatnonsuisse

CAREER OPPORTUNITIES
Given the highly specialized nature of the dentistry programme, most graduates remain in the field and work in private dental practices. Others find work in dental clinics or dental offices linked to social services, schools or hospitals.

TUITION FEES
500 CHF / semester

APPLICATIONS
Deadline: 30 April 2017
(28 February 2017 for applicants who require a visa under Swiss Confederation regulations).
