CONDITIONS OF REGISTRATION

www.unige.ch/conditions/MA

ADMISSION CONDITIONS

Candidates must hold a recognised ordinary teaching diploma for pre-school, primary or secondary school teaching or, must take 30 to 60 credits of supplementary study courses, BA in a related field (for example: Educational Sciences, Social Education, Special Education, Speech Therapy, Psychology or Occupational Therapy) awarded by a recognised Swiss or foreign third-level institution.

Admission is application-based.

Master's Programmes

THE MASTER IN SPECIAL NEEDS EDUCATION

trains special needs teachers to carry out full teaching responsibilities for students aged 4 to 20, taking into consideration academic targets and the particularities of special education contexts (assistance with integration into ordinary classes, specialised classes, specialised institutions). At once academic and vocational, this Master's programme trains professionals by giving them scientific knowledge of the facts of special needs education. A particular stream is reserved for students with ordinary teaching diplomas who are working professionally as special needs teachers.

STUDY PROGRAMME

4 semesters (max. 8 semesters) | 120 ECTS credits

Section 1

9 credits

Political, social and historical context of special education.

Section 2

12 credits

Professional role and identity of the special needs teacher.

Section 3

42 credits

Training in research in special needs education:

- Training in methodology
- Thesis

PROFESSIONAL PROSPECTS

This Master's degree qualifies the holder to work as a special needs teacher in various public, subsidised and private organisations.

UNIVERSITY TAXES

500 CHF / semester

REGISTRATION

Deadline: 28 February 2024
