**Master’s Programme**

**THE MASTER OF THEOLOGY**

is a 120-credit programme offered jointly by the University of Geneva and the University of Lausanne. In order to satisfy the increasing demand for flexibility, a distance learning option is now available: students can decide whether to take each course in the classroom or via our interactive internet platform.

Out of the 7 areas of study in theology, students select 6 and complete a programme of 12 credits within each area. With the 18 remaining elective course credits, students can reinforce their general training in theology (for example via courses in the 7th area) or specialise in one or two of the proposed areas of study.

**AREAS OF STUDY:**
