### *Master's Programme*

## **MASTER IN COMMODITY TRADING**

The Master in Commodity Trading offered by the University of Geneva in partnership with the SUISSENGOCE is a unique programme in Europe. It focuses on the financing of resources, products and trade flows of goods, and includes courses in relevant areas of economics such as credit analyses, financial instruments and means of payment for the different transactions. Shipping, legal aspects, protection of goods and risk management are also addressed. This academic program is linking the theory with a mandatory traineeship.
